PART I: INTRODUCTION/OVERVIEW

A. Purpose/Objective

The Nashville Career Advancement Center (NCAC), under the auspices of the Workforce Investment Act of 1998 (WIA) and with oversight from the Middle Tennessee Workforce Investment Board and its Youth Council, administers programs within the service delivery area that includes Wilson County in the State of Tennessee. It is NCAC's responsibility to coordinate services within the service delivery area to assist youth in achieving self-sufficiency as they enter, re-enter or move through the workforce.

With this Request for Proposal (RFP), NCAC is seeking a provider(s) of services for **In-School AND Out-of-School Youth in Wilson County in Tennessee**. NCAC works to ensure that services provided to the targeted population by contractors meet the performance objectives as designed by NCAC and does so in strict compliance of local, state and federal laws and regulations governing the administration of WIA.

With this RFP, NCAC and the Youth Council seek to partner with an organization or program whose current mission and/or program focus is to provide services to these populations of youth and who can act as a conduit for additional services or resources that support these young people in achieving their career and personal goals.

The Workforce Investment Act **requires** that youth funds be used to implement programs for eligible youth through the development of individualized service strategies that identify employment goals and other appropriate achievement objectives. These programs must also include the following ten allowable activities or elements:

- **Tutoring**, study skills training and instruction leading to completion of secondary school, including dropout prevention strategies;
- **Alternative secondary school services**, as appropriate;
- **Summer employment opportunities** that are directly linked to academic and occupational learning;
- **Paid and unpaid work experiences**, including internships and job shadowing as appropriate;
- **Occupational skills training** as appropriate;
- **Leadership development opportunities**, which may include community service and peer-centered activities encouraging responsibility and other positive social behaviors during non-school hours, as appropriate;

- **Supportive Services;**
- **Adult mentoring** for the period of participation and a subsequent period, for a total of not less than twelve months;
- **Follow-up services** for not less than twelve months after the completion of participation, as appropriate; and
- **Comprehensive guidance and counseling**, and referral as appropriate.

Not every youth will require every service. The successful Proposer will have the discretion to determine what specific program services will be provided to a youth participant, based on each participant's objective assessment and individual service strategy.

All contractors providing youth services must ensure that the ten elements listed above are available as appropriate to all participating youth. NCAC understands that these services may be provided through a combination of referrals, partnerships and direct service provision. In addition, from experience, NCAC recognizes that effective comprehensive services also include the following elements:

- **A Comprehensive Service Delivery Strategy** that not only includes the ten required elements, but also represents thoughtful integration of your organization's mission, vision, and expertise, into a theory of change that anticipates the achievement of the performance outcomes specified in WIA;
- **Integration of Positive Youth Development.** NCAC uses the Nashville Youth Coalition's Five Principles for Positive Youth Development. These principles were developed by local youth-serving organizations, including NCAC, who committed to give all of the area's young people a consistent experience of the five principles of Positive Youth Development at home, at school, in their neighborhoods, and wherever they go. NCAC requires that proposals integrate these principals into their strategy for service delivery;
- **Attention to the Practices of Quality Program Management** that promote attainment of performance expectations, create a culture of continuous improvement, cultivate meaningful relationships that expand the services and resources available to participants, and maintain the highest possible levels of administrative and fiscal integrity and compliance.

NCAC reserves the right to contract with a **single comprehensive provider of services or to make multiple awards** to several providers to achieve a unified system of services designed to meet the needs of the targeted population in accordance with the requirements of the Workforce Investment Act of 1998.

Please note that the Workforce Investment Act strictly defines an eligible youth (see Attachment D, *WIA Applicable Sections*). Expenditures not directly benefiting an eligible youth are prohibited.

B. Background

Both In-School and Out-of-School Youth must meet the following eligibility criteria:

1. Is age 14 through 21; and,
2. Is a low income individual, as defined in the WIA section 101(25); and

An award(s), if made, will be given to the **Responsive** and **Responsible** Proposer(s) whose proposal is most advantageous to NCAC, taking into consideration price and the other factors set forth in this Request for Proposal. NCAC will not use any other factors or criteria in the evaluation of proposals received.

PART X: INSTRUCTIONS FOR PROPOSAL

Proposals must be in strict compliance with this RFP. Failure to comply with all provisions of the RFP may result in disqualification. A score below 70 will be considered a non-responsive RFP.

B. Acknowledgment of Insurance Requirements

By signing its proposal, a Proposer acknowledges that it has read and understands the insurance requirements for the proposal. Proposer also understands that the evidence of required insurance must be submitted within fifteen (15) working days following notification of its offer being accepted. Otherwise, NCAC may rescind its acceptance of the Offeror proposal. The insurance requirements are attached (see Attachment C, *Insurance Requirements*).

C. Delivery of Proposals

All proposals are to be delivered before 3:00 p.m. on July 12, 2013 to:

Nashville Career Advancement Center
Terry Corbin, Contract Administrator
621 Mainstream Drive, Suite 210
Nashville, TN 37228

NCAC will not accept any proposals received after 3:00 p.m. and shall return such late proposals to the Proposer.

Proposers must submit one (1) original, and seven (7) numbered copies of the proposal (total of 8). List the Proposal Number on the outside of the box and note "Request for Proposal Enclosed." Proposals will be opened publicly in a manner to avoid public disclosure of contents; however, only names of Proposers will be read aloud.

D. Evaluation of Proposals (Procedure)

NCAC will first examine proposals to eliminate those that are clearly non-responsive to the stated requirements. Therefore, Proposers should exercise particular care in reviewing the Proposal Format required for this RFP.

The detailed evaluation that follows the initial examination may result in more than one finalist. At such time, NCAC may request presentations/demonstrations by Proposers, and carry out contract negotiations for the purpose of obtaining best and final offers.

NCAC reserves the right to request that the Executive Director withdraw this RFP at any time and for any reason, and to issue such clarifications, modifications, and/or amendments, as it may deem appropriate. Receipt of a proposal by NCAC or a submission of a proposal to NCAC offers no rights upon the Proposer nor obligates NCAC in any manner.

NCAC reserves the right to request that the NCAC Executive Director waive minor irregularities in proposals, if such action is in the best interest of NCAC. Any such waiver shall not modify any remaining RFP requirements or excuse the Proposer from full compliance with the RFP specifications and other contract requirements if the Proposer is awarded the Contract.

E. Ambiguity, Conflict or Other Errors in the RFP

If a Proposer discovers any ambiguity, conflict, discrepancy, omission or other error in the Request for Proposal, it shall immediately notify NCAC of such error in writing and request modification or clarification of the document. NCAC will make modifications by issuing a written revision, and will give written notice to all parties who have received this RFP from NCAC.

The Proposer is responsible for clarifying any ambiguity, conflict, discrepancy, omission or other error in the Request for Proposals prior to submitting the proposal or it shall be waived.

F. Proposals and Presentation Costs

NCAC will not be liable in any way for any costs incurred by any Proposer in the preparation of its proposal in response to this RFP, nor for the presentation of its proposal and/or participation in any discussions or negotiations.

G. Rejection of Proposals

NCAC reserves the right to accept or reject in whole or in part, any or all proposals submitted. NCAC shall reject the proposal of any Proposer that is determined to be non-responsive. The unreasonable failure of a Proposer to supply promptly information in connection with respect to responsibility may be grounds for a determination of non-responsive.

H. Acceptance of Proposals

NCAC shall accept all proposals that are submitted properly. However, NCAC reserves the right to request clarifications or corrections to proposals.

I. Requests for Clarification of Proposals

Requests for clarification of proposals by NCAC shall be in writing. Said requests shall not alter the vendor's pricing information contained in its cost proposal.

J. Validity of Proposals

All proposals shall be valid for a period of 120 days from the submission date.

K. Proposal Evaluation Panel and Evaluation Factors

A panel approved by the Executive Director will evaluate proposals. Other agencies and consultants of NCAC also may examine documents.

There are several factors to be considered in the evaluation of proposals. While NCAC believes all these items to be of importance, they are numerically ranked as follows:

<u>POINTS</u>	<u>SECTION</u>
50	Comprehensive Service Delivery Strategy
20	Positive Youth Development
30	Quality Program Management
100	TOTAL

L. Response Format

To facilitate the fair evaluation and comparison of proposals, all proposals must conform to the guidelines set forth in the RFP. Any portions of the proposal that do not comply with these guidelines must be so noted and explained in the Acceptance of Conditions section of the proposal. However, any proposal that contains such variances may be considered non-responsive.

Proposals should be prepared simply and economically, providing a straightforward, concise description of the Proposer's approach and ability to meet NCAC's needs, as stated in the RFP. Failure by a Proposer to include all listed items may result in the rejection of its proposal.

ALL documents must be on 8 ½" x 11" sized paper and printed on ONE SIDE ONLY. All copies of the proposal should be bound in a THREE-RING BINDER for uniformity and ease of handling. The binder must be organized with each section clearly labeled, pages numbered and separated by tabs.

First, complete the following forms and include in this order at the beginning of the notebook (prior to Tab I):

- Form 1: Cover Page
- Form 2: Organizational Information and Certification

Second, address **Part V: Contractor Responsibilities** in responding to the following:

Tab I: Comprehensive Service Delivery Strategy

- I. Identify the population your proposed program will serve.
 - A. Describe your organization's history of service in Wilson County.
 - B. Define the percentage of overall resources provided through this grant that you anticipate directing towards In-School Youth and Out-of-School Youth. All proposals should include both In-School and Out-of-School Youth.

Targeted subgroups other than those identified by the White House Task Force must include specific data substantiating the high levels of risk for high school dropout or other counter-indicated outcomes. (White House Task Force Report on Disadvantaged Youth in 2003 identified the specific neediest populations of youth: Youth in foster care or aging out of foster care; children of incarcerated parents; court involved youth or those at-risk of involvement; migrant youth; youth with disabilities; Native American youth; homeless and runaway youth; out of school youth; or high school dropouts.)
- II. Describe your comprehensive service delivery plan.
 - A. Provide your organization's mission. Describe how the proposed plan fits within the mission of the organization as a whole. Provide an organizational chart that identifies where the proposed program will fit in the organization's structure.
 - B. Provide a logic model identifying how and why your proposed program will deliver the mandatory program performance outcomes.

- C. Provide a brief description of your plan for service delivery. Include a description of program components and activities, and anticipated duration of program participation. In addition, specifically include how you will address the following mandatory requirements:
1. Provide an objective assessment of each youth participant that meets the requirements of *WIA section 129 (c) (1) (A)* (See Attachment D), and includes a review of the academic and occupational skill levels, as well as the service needs of each youth.
 2. Develop an individual service strategy for each youth participant that meets the requirements of *WIA section 129(c) (1) (B)* (See Attachment D), including identifying a career goal and consideration of the assessment results for each youth.
 3. Provide preparation for postsecondary educational opportunities, linkages between academic and occupational learning, preparation for employment and effective connections to intermediary organizations that offer strong links to the job market and employers.
 4. The Proposer will be responsible for recruitment and eligibility determination for all participants, including pre-assessment of basic skills. Referrals from other Department programs are acceptable. The Proposer will be responsible for the final determination of eligibility.
 5. The Proposer will commit to the performance objectives as outlined in Part II of this RFP. Percentages are subject to negotiation during the contracting phase. Actual percentages will be based on NCAC's negotiations with the State with regards to performance and performance of current contractors. Performance definitions are subject to change with changes in legislation and policy.
 6. The Proposer will commit to the reporting requirements of NCAC, including data entry in the eCMATS database. This database is the primary data collection tool for Workforce Investment Act program information and is mandated by the State.

- D. Demonstrate past success with delivering as many of the Ten WIA Elements (as defined in Part I Section A) as applicable. This evidence may include direct provision of services or can take the form of referral history, partnerships and/or collaborations that link youth with outside services or providers that deliver WIA Elements. Include any Memoranda of Understanding, Letters of Agreement, or other formal partnership agreements that may be relevant. Specify which of the WIA Elements are covered in each case.

Insurance including vehicles owned, hired and non-owned, with a combined single limit of not less than one million (\$1,000,000) dollars each accident. Such insurance shall include coverage for loading and unloading hazards. Insurance shall contain or be endorsed to contain a provision that includes Metro, its officials, officers, employees and volunteers as additional insureds with respect to liability arising out of automobiles owned, leased, hired or borrowed by or on behalf of CONTRACTOR.

6.5. Worker's Compensation Insurance

Worker's Compensation (If applicable), CONTRACTOR shall maintain workers' compensation insurance with statutory limits as required by the State of Tennessee or other applicable laws and employers' liability insurance. CONTRACTOR shall require each of its subcontractors to provide Workers' Compensation for all of the latter's employees to be engaged in such work unless such employees are covered by CONTRACTOR's workers' compensation insurance coverage.

With statutory limits required by the State of Tennessee or other applicable laws and Employer's Liability Insurance with limits of no less than one hundred thousand (\$100,000.00)

dollars, as required by the laws of Tennessee (not required for companies with fewer than five (5) employees).

6.6. Sexual Molestation and Abuse Liability

CONTRACTOR shall provide sexual molestation and abuse coverage under this contract in the amount of one million (\$1,000,000) dollars.

6.7. Such Insurance Shall:

Contain or be endorsed to contain a provision that includes METRO, its officials, officers, employees, and volunteers as additional insureds with respect to liability arising out of work or operations performed by or on behalf of the CONTRACTOR including materials, parts, or equipment furnished in connection with such work or operations. The coverage shall contain no special limitations on the scope of its protection afforded to the above-listed insureds.

For any claims related to this agreement, CONTRACTOR's insurance coverage shall be primary insurance as respects METRO, its officers, officials, employees, and volunteers. Any insurance or self-insurance programs covering METRO, its officials, officers, employees, and volunteers shall be excess of CONTRACTOR's insurance and shall not contribute with it.

6.8. Other Insurance Requirements

Prior to commencement of services, CONTRACTOR shall furnish METRO with original certificates and amendatory endorsements effecting coverage required by this section and provide that such insurance shall not be cancelled, allowed to expire, or be materially reduced in coverage except on 30 days' prior written notice to:

**DEPARTMENT OF LAW
INSURANCE AND RISK
MANAGEMENT METROPOLITAN
COURTHOUSE, SUITE 108 PO BOX
196300
NASHVILLE, TN 37219-6300**

Provide certified copies of endorsements and policies if requested by METRO in lieu of or in addition to certificates of insurance. Replace certificates, policies, and/or endorsements for any such insurance expiring prior to completion of services. Maintain such insurance from the time services commence until services are completed and attach the certificates of insurance in the METRO system. Failure to maintain or renew coverage or to provide evidence of renewal may be treated by METRO as a material breach of contract.

Place such insurance with insurer licensed to do business in Tennessee and having A.M. Best Company ratings of no less than A-. Modification of this standard may be considered upon appeal to the METRO Director of Risk Management Services.

Require all subcontractors to maintain during the term of the agreement Commercial General Liability insurance, Business Automobile Liability insurance, and Worker's Compensation/Employers Liability insurance (unless subcontractor's employees are covered by CONTRACTOR's insurance) in the same manner as specified for CONTRACTOR. CONTRACTOR shall file subcontractor's certificates of insurance in METRO's system.

Any deductibles and/or self-insured retentions greater than \$10,000.00 must be disclosed to and approved by METRO **prior to the commencement of services.**

If the CONTRACTOR has or obtains primary and excess policy(ies), there shall be no gap between the limits of the primary policy and the deductible features of the excess policies.

7. GENERAL TERMS AND CONDITIONS

7.1. Taxes

METRO shall not be responsible for any taxes that are imposed on CONTRACTOR. Furthermore, CONTRACTOR understands that it cannot claim exemption from taxes by virtue of any exemption that is provided to METRO.

7.2. Warranty

CONTRACTOR warrants that for a period of one year from date of delivery and/or installation, whichever is later, the goods provided, including software, shall be free of any defects that interfere with or prohibit the use of the goods for the purposes for which they were obtained.

During the warranty period, METRO may, at its option, request that CONTRACTOR repair or replace any defective goods, by written notice to CONTRACTOR. In that event, CONTRACTOR shall repair or replace the defective goods, as required by METRO, at CONTRACTOR's expense, within thirty (30) days of written notice. Alternatively, METRO may return the defective goods, at CONTRACTOR's expense, for a full refund. Exercise of either option shall not relieve CONTRACTOR of any liability to METRO for damages sustained by virtue of CONTRACTOR's breach of warranty.

7.3. License

CONTRACTOR warrants and represents that it is the owner of or otherwise has the right to and does hereby grant METRO a license to use any software provided for the purposes for which the software was obtained or proprietary material set forth in METRO's solicitation and/or the CONTRACTORs response to the solicitation.

7.4. Copyright, Trademark, Service Mark, or Patent Infringement

CONTRACTOR shall, at its own expense, be entitled to and shall have the duty to defend any suit that may be brought against METRO to the extent that it is based on a claim that the products or services furnished infringe a copyright, Trademark, Service Mark, or patent. CONTRACTOR shall further indemnify and hold harmless METRO against any award of damages and costs made against METRO by a final judgment of a court of last resort in any such suit. METRO shall provide CONTRACTOR immediate notice in writing of the existence of such claim and full right and opportunity to conduct the defense thereof, together with all available information and reasonable cooperation, assistance and authority to enable CONTRACTOR to do so. No costs or expenses shall be incurred for the account of CONTRACTOR without its written consent. METRO reserves the right to participate in the defense of any such action. CONTRACTOR shall have the right to enter into negotiations for and the right to effect settlement or compromise of any such action, but no such settlement or compromise shall be binding upon METRO unless approved by the METRO Department of Law Settlement Committee and, where required, the METRO Council. If the products or services furnished under this contract are likely to, or do become, the subject of such a claim of infringement, then without diminishing CONTRACTOR's obligation to satisfy the final award, CONTRACTOR may at its option and expense:

Procure

Procure for METRO the right to continue using the products or services.

Replace

Replace or modify the alleged infringing products or services with other equally suitable products or services that are satisfactory to METRO, so that they become non-infringing.

Remove

Remove the products or discontinue the services and cancel any future charges pertaining thereto.

Provided

Provided, however, that CONTRACTOR will not exercise the Remove option above until CONTRACTOR and METRO have determined that the Procure and/or Replace options are impractical. CONTRACTOR shall have no liability to METRO, however, if any such infringement or claim thereof is based upon or arises out of:

The use of the products or services in combination with apparatus or devices not supplied or else approved by CONTRACTOR;

The use of the products or services in a manner for which the products or services were neither designated nor contemplated; or

The claimed infringement in which METRO has any direct or indirect interest by license or otherwise, separate from that granted herein.

7.5. Maintenance of Records

CONTRACTOR shall maintain documentation for all charges against METRO. The books, records, and documents of CONTRACTOR, insofar as they relate to work performed or money received under the contract, shall be maintained for a period of three (3) full years from the date

of final payment and will be subject to audit, at any reasonable time and upon reasonable notice by METRO or its duly appointed representatives. The records shall be maintained in accordance with generally accepted accounting principles. In the event of litigation, working papers and other documents shall be produced in accordance with applicable laws and/or rules of discovery. Breach of the provisions of this paragraph is a material breach of this Contract. All documents and supporting materials related in any manner whatsoever to the contract or any designated portion thereof, which are in the possession of CONTRACTOR or any subcontractor or sub-consultant shall be made available to METRO for inspection and copying upon written request from METRO. Said documents shall also be made available for inspection and/or copying by any state, federal or other regulatory authority, upon request from METRO. Said records include, but are not limited to, all drawings, plans, specifications, submittals, correspondence, minutes, memoranda, tape recordings, videos or other writings or things which document the procurement and/or performance of this contract. Said records expressly include those documents reflecting the cost, including all subcontractors' records and payroll records of CONTRACTOR and subcontractors.

The records of not-for-profit entities shall be maintained in accordance with the Accounting and Financial Reporting for Not-for-Profit Recipients of Grant Funds of Tennessee, published by the Tennessee Comptroller of the Treasury and found at <http://www.comptroller1.state.tn.us/ma/finreptmanual.asp>. The records for local governments shall be maintained in accordance with the Internal Control and Compliance Manual for Tennessee Municipalities, published by the Tennessee Comptroller of the Treasury and found at <http://www.comptroller1.state.tn.us/ma/citymanual.asp> and in accordance with GFOA's publication, Governmental Accounting, Auditing and Financial Reporting.

7.6. Monitoring

The CONTRACTOR's activities conducted and records maintained pursuant to this Contract shall be subject to monitoring and evaluation by METRO, the Department of Finance, and the Division of Internal Audit; by the State, the Comptroller of the Treasury; or by their duly appointed representatives.

7.7. Annual Report and Audit

The CONTRACTOR shall prepare and submit within nine (9) months after the close of the reporting period an annual report of its activities funded under this contract to the commissioner or head of the granting agency, the Tennessee Comptroller of the treasury and the Commissioner of Finance and Administration. The annual report for any contractor that receives five hundred thousand dollars (\$500,000) or more in aggregate federal and state funding for all its programs shall include audited financial statements. All books of account and financial records shall be subject to annual audit by the Tennessee Comptroller of the Treasury or the Comptroller's duly appointed representative.

Any such audit shall be performed in accordance with generally accepted government auditing standards, the provisions of OMB Circular A-133, if applicable, and the *Audit Manual for Governmental Units and Recipients of Grant Funds* published by the Tennessee Comptroller of

the Treasury. The CONTRACTOR shall be responsible for reimbursement of the cost of the audit prepared by the Tennessee Comptroller of the Treasury, and payment of fees for the audit prepared by the licensed independent public accountant. Copies of such audits shall be provided to the designated cognizant agency, NCAC, the Tennessee Comptroller of the Treasury and the Department of Finance and Administration and shall be made available to the public.

7.8. Procurement

If other terms of this contract allow reimbursement for the cost of goods, materials, supplies, equipment and/or contracted services, such procurement(s) shall be made on a competitive basis, including the use of competitive bidding procedures, where practical. The CONTRACTOR shall maintain documentation supporting the basis of each procurement for which reimbursement is paid pursuant to this contract. In each instance where it is determined that use of a competitive procurement method is not practical, supporting documentation shall include a written justification for such decision and non-competitive procurement. Further, and notwithstanding the foregoing, if such reimbursement is to be made with funds derived wholly or partially from federal sources, the determination of cost shall be governed by and reimbursement shall be subject to the CONTRACTOR's compliance with applicable federal procurement requirements. The CONTRACTOR shall obtain prior approval from NCAC before purchasing any equipment under this contract.

7.9. Federal Funding Accountability and Transparency Act (FFATA)

This contract requires the CONTRACTOR to provide supplies and/or services that are funded in whole or in part by federal funds that are subject to FFATA. The CONTRACTOR is responsible for ensuring that all applicable requirements, including but not limited to those set forth herein, of FFATA are met and that the CONTRACTOR provides information to NCAC as required.

The CONTRACTOR shall comply with the following:

- a) Reporting of Total Compensation of the CONTRACTOR's Executives.
 - (1) The CONTRACTOR shall report the names and total compensation of each of its five most highly compensated executives for the CONTRACTOR's preceding fiscal year, if in the CONTRACTOR's preceding fiscal year it received:
 - (a) 80 percent or more of the CONTRACTOR's annual gross revenues from Federal procurement contracts and Federal financial assistance subject to the Transparency Act as defined at 2 CFR 170.320 (and sub-awards); and
 - (b) \$25,000,000 or more in annual gross revenues from Federal procurement contracts (and subcontracts), and Federal financial assistance subject to the Transparency Act (and sub-awards); and
 - (c) The public does not have access to information about the compensation of the executives through periodic reports filed under this section 13(a) or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C. 78m(a), 78o(d)) or section 6104 of the Internal Revenue Code of 1986. (To determine if the public has access to

the compensation information, see the U.S. Security and Exchange Commission total compensation filings at <http://www.sec.gov/answers/execomp.htm>).

Executive means officers, managing partners, or any other employees in management positions.

- (2) Total compensation means the cash and noncash dollar value earned by the executive during the CONTRACTOR's preceding fiscal year and includes the following (for more information see 17 CFR 229.402(c)(2)):
 - (a) Salary and bonus.
 - (b) Awards of stock, stock options, and stock appreciation rights. Use the dollar amount recognized for financial statement reporting purposes with respect to the fiscal year in accordance with the Statement of Financial Accounting Standards No. 123 (Revised 2004) (FAS 123R), Shared Base Payments.
 - (c) Earnings for services under non-equity incentive plans. This does not include group life, health, hospitalization or medical reimbursement plans that do not discriminate in favor of executives, and are available generally to all salaried employees.
 - (d) Change in pension value. This is the change in present value of defined benefit and actuarial pension plans.
 - (e) Above-market earnings on deferred compensation which is not tax qualified.
 - (f) Other compensation, if the aggregate value of all such other compensation (e.g. severance, termination payments, value of life insurance paid on behalf of the employee, perquisites or property) for the executive exceeds \$10,000.
- b) The CONTRACTOR must report executive total compensation described above to NCAC by the end of the month during which a contract is awarded.
- c) If the contract is amended to extend its term, the CONTRACTOR must submit an executive total compensation report to NCAC by the end of the month in which the amendment to the contract becomes effective.
- d) The CONTRACTOR will obtain a Data Universal Numbering System (DUNS) number and maintain its DUNS number for the term of the contract. More information about obtaining a DUNS number can be found at: <http://fedgov.dnb.com/webform/>.

The CONTRACTOR's failure to comply with the above requirements is a material breach of the contract for which NCAC may terminate the contract for cause. NCAC will not be obligated to pay any outstanding invoice received from the CONTRACTOR unless and until the CONTRACTOR is in full compliance with the above requirements.

7.10. METRO Property

Any METRO property, including but not limited to books, records and equipment that is in CONTRACTOR's possession shall be maintained by CONTRACTOR in good condition and repair, and shall be returned to METRO by CONTRACTOR upon termination of the contract. All goods, documents, records, and other work product and property produced during the performance of this contract are deemed to be METRO property. All documents which make up this Contract; all other documents furnished by METRO; all conceptual drawings, design documents, closeout documents, and other submittals by CONTRACTOR; and, all other original works of authorship, whether created by METRO or CONTRACTOR embodied in any tangible medium of expression, including, without limitation, pictorial, graphic, sculptural works, two (2) dimensional works, and three (3) dimensional works.

The CONTRACTOR may keep one (1) copy of the aforementioned documents upon completion of the contract; provided, however, that in no event shall the CONTRACTOR use, or permit to be used, any portion of the documents on other projects without METRO's prior written authorization.

7.11. Modification of Contract

This contract may be modified only by written amendment executed by all parties and their signatories hereto except that the CONTRACTOR may request revisions of Contract Budget Line Items by letter, giving full details supporting such request, provided that such revisions do not increase the total Contract Budget amount and that the amount of the Budget Line Item shift shall not exceed twenty (20) percent per line without Youth Council approval. Contract Budget Line Item revisions may not be made without prior written approval of NCAC in which terms of the approved revisions are explicitly set forth.

7.12. Partnership/Joint Venture

This Contract shall not in any way be construed or intended to create a partnership or joint venture between the Parties or to create the relationship of principal and agent between or among any of the Parties. None of the Parties hereto shall hold itself out in a manner contrary to the terms of this paragraph. No party shall become liable for any representation, act or omission of any other party contrary to the terms of this Contract.

7.13. Waiver

No waiver of any provision of this contract shall affect the right of any party to enforce such provision or to exercise any right or remedy available to it.

7.14. Employment

CONTRACTOR shall not subscribe to any personnel policy which permits or allows for the promotion, demotion, employment, dismissal or laying off of any individual due to race, creed, color, national origin, age, sex, or which is in violation of applicable laws concerning the employment of individuals with disabilities. CONTRACTOR shall not knowingly employ, permit, dispatch, subcontract, or instruct any person who is an undocumented and/or unlawful worker to perform work in whole or part under the terms of this contract. Violation of either of these contract provisions may result in suspension or debarment if not resolved in a timely manner, not to exceed ninety (90) days, to the satisfaction of METRO.

7.15. Compliance with Laws

CONTRACTOR agrees to comply with all applicable federal, state and local laws and regulations.

7.16. Public Accountability

The CONTRACTOR agrees to establish a system through which recipients of services may present grievances about the operation of the service program, and the CONTRACTOR shall display in a prominent place, located near the passageway through which the public enters in order to receive Grant supported services, a sign at least twelve inches (12”) in height and eighteen (18”) inches in width stating:

NOTICE: THIS AGENCY IS A RECIPIENT OF TAXPAYER FUNDING. IF YOU OBSERVE AN AGENCY DIRECTOR OR EMPLOYEE ENGAGING IN ANY ACTIVITY WHICH YOU CONSIDER TO BE ILLEGAL, IMPROPER, OR WASTEFUL, PLEASE CALL THE STATE COMPTROLLER’S TOLL FREE HOTLINE: 1-800-232-5454.

7.18. Taxes and Licensure

CONTRACTOR shall have all applicable licenses and be current on its payment of all applicable gross receipt taxes and personal property taxes.

7.19. Ethical Standards

CONTRACTOR hereby represents that CONTRACTOR has not been retained or retained any persons to solicit or secure a METRO contract upon an agreement or understanding for a contingent commission, percentage, or brokerage fee, except for retention of bona fide employees or bona fide established commercial selling agencies for the purpose of securing business. Breach of the provisions of this paragraph is, in addition to a breach of this contract, a breach of ethical standards, which may result in civil or criminal sanction and/or debarment or suspension from being a contractor or subcontractor under METRO contracts.

7.20. Debarment and Suspension

The CONTRACTOR certifies, to the best of its knowledge and belief, that it, its current and future principals:

- a) Are not presently disbarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any federal or state department or agency;

NCAC shall provide immediate written notice to the State if at any time it learns there was an earlier failure to disclose information or that due to changed circumstances, the principals of this CONTRACTOR are excluded or disqualified.

7.21. Indemnification and Hold Harmless

CONTRACTOR shall indemnify and hold harmless METRO, its officers, agents and employees from:

- a) Any claims, damages, costs and attorney fees for injuries or damages arising, in part or in whole, from the negligent or intentional acts or omissions of CONTRACTOR, its officers, employees and/or agents, including its sub or independent contractors, in connection with the performance of the contract, and,
- b) Any claims, damages, penalties, costs and attorney fees arising from any failure of CONTRACTOR, its officers, employees and/or agents, including its sub or independent contractors, to observe applicable laws, including, but not limited to, labor laws and minimum wage laws.

- c) In any and all claims against METRO, its officers, agents, or employees, by any employee of the CONTRACTOR, any subcontractor, anyone directly or indirectly employed by any of them, or anyone for whose acts any of them may be liable, the indemnification obligation shall not be limited in any way by any limitation on the amount or type of damages, compensation, or benefits payable by or for the CONTRACTOR or any subcontractor under workers' compensation acts, disability acts or other employee benefit acts.
- d) METRO will not indemnify, defend or hold harmless in any fashion the CONTRACTOR from any claims arising from any failure, regardless of any language in any attachment or other document that the CONTRACTOR may provide.
- e) CONTRACTOR shall pay METRO any expenses incurred as a result of CONTRACTOR's failure to fulfill any obligation in a professional and timely manner under this Contract.

7.22. Attorney Fees

CONTRACTOR agrees that in the event either party takes legal action to enforce any provision of the contract or to obtain a remedy for any breach of this contract, and in the event METRO prevails in such action, CONTRACTOR shall pay all expenses of such action incurred at any and all stages of the litigation, including costs, and reasonable attorney fees for METRO.

7.23. Assignment--Consent Required
